ID: 15043 ?????Pervolia is a wealthy area in Larnaca, it was named after Greek word 'pervoli' for its abundant gardens, fertile soil, and thousands of productive trees. It is a beautiful village set on the south coast of Cyprus and at a distance of 16 km from the city of Larnaca, it offers a short drive to some of the most popular beaches in Cyprus, Phinikoudes Beach & McKenzie beach are both close by and have white sand and clear blue waters. McKenzie beach is particularly popular with divers and lovers of water sports. The area of Pervolia has become quite a hidden treasure over the last few years with its traditional Cypriot way of life and beautiful architecture...
