image not found or type unknown

Planning zone: **H2**

Land for sale with a beautiful view of the village, perfect for a permanent residence or holiday home. The land is residential with a registered private road and it has a very good proximity to the main road of the village. Letymvou is a beautiful traditional village with a very good climate. It is very close to Minthis Golf Club and with the completion of the new road it will be less than 10 minutes drive from Paphos town....
