Discover a rare opportunity to acquire a large-scale commercial property in the vibrant district of Pano Polemidia, one of Limassol's most promising growth corridors. This expansive commercial space, boasting 4,177 m² of covered areas, is ideal for enterprises seeking a commanding presence in Cyprus's thriving real estate market. Positioned within a well-connected urban zone just minutes from central Limassol, this property offers a strategic base for corporate headquarters, R&D centers, medical or educational institutions, or mixed-use investment development. With Energy Efficiency Category A, the building ensures reduced operational costs and aligns with modern sustainability standar...
