"These adjacent residential fields of 5873m2 in total, are located in an ideal position for the development of a gated residential complex of modern houses. Located above the highway with quick access (10 minutes drive) to Limassol City Center and all necessary amenities, but also in a quiet suburban area. It constitutes an ideal opportunity for the development of an affordable housing complex which will be sold immediately due to the project's location and the surrounding area. The residential field falls into the residential zone H6. The property is not subject to VAT. Contact us for a viewing."...
