.....This traditional 3-bedroom house in the Ekali area is one of the most promising investment opportunity, especially given its location near Polemidia National Park. The potential to transform the ground floor into a spacious apartment adds versatility and the proximity to amenities and the city center enhances its appeal. The layout is very well-designed, with a spacious living room and dining area, a generously sized kitchen area, and a back door leading to the outdoor sitting veranda. There are 3 bedrooms, 1 main bathroom and a guest WC. The option to build a second floor adds further potential for expansion. While the property requires renovation, its clean title deeds an...
