Property is situated at a mean altitude of 462 metres above sea level at "Fractades" locality within the administrative and residential area of Kapileio village, Limassol District on the Limassol - Agios Mamas main road and with separate secondary public road access. A very large attractive building block perfect for the building of a permanent home or a place to get away from the city on weekends or from the city heat in the hot summer or to a cozy fire in the winter. Only a short drive to the beautiful Troodos Mountains and the many surrounding attractions. At 1,620m², this large piece of land could allow for at least two houses to be built for family members.
