""""""A large attractive building lot lying at a mean altitude of 458 metres above sea level at "Vrysi" locality within the residential area of Kapileio village, Limassol District off the Limassol - Agios Mamas main road and accessed via separate secondary public road. Site is especially suited for the building of a large home in a private setting which could act both as a permanent home and/or a weekender to get away from the Limassol summer heat or as a cozy retreat in the winter months. Close to the beautiful Troodos mountain areas no matter the time of the year. All services of electricity and water are available and subject to normal approvals construction can begin immediate...
