Discover an emerging residential development in Paralimni Municipality, Famagusta. The project consists of eleven exclusive apartments, along the ground, first and second floor with the objective to fulfil your needs. The project is based on comfort, quality, and style, followed by a minimalistic and modern architecture. The design creates the perfect modern home for a couple or small families, people who are looking either for a holiday or permanent residence. It is worth noting the apartments benefit by the endless unobstructed panoramic views of the city of Famagusta. All necessary amenities and services are situated at a short proximity from the development. Viewing by a...
