Price is +VAT Pictures are drone shots. For sale is the lower of 2 plots with 493 sqm, next to a government green area located in a very peaceful area at the back of Oroklini, close to the hills, offering a distant sea view from the front and a view of the hills in the back. Zone: H2 Density: 0.9 Coverage: 0.5 Floors: 2 Height: 8.3m Plots is neighboring a green area, allowing privacy knowing nobody can build on the opposite side of the road. I already paid a topographer to determine the exact terrain levels of the plots, and they are ready to build....
