Terraced field in Tala. Regular triangular shape, level surface Split into 5 flat surface terraces. 6689 square metres Enjoying panoramic sea views, this large plot holds significant advantages due to both its size and stunning location. Located in a peaceful secluded area, but close to all amenities. 5 minutes from centre of Tala. 15 minutes from centre of Paphos. Road access. Beautiful sea and mountain view. Good potential for land development, urban developing coming closer rapidly. Land is increasing in price exponentially, with the potential to soon gain residential status. Land survey was conducted. Over 130 crop trees planted. A lot of exotic trees of high medical value. Mostly fenced...
