This is a beautiful house that was build in 2008 and was only used for a few weeks twice a year. The house sits on two large plots of land (614 sq. m. +354 sq. m.) and has excellent views of the village and Rodon hotel. The main house sits on the first floor with an approximate enclosed area of 183 sq. m. It is an open plan with a very convenient kitchen and a separate laundry room. The high wooden ceiling and the large fire place create a very cozy atmosphere. Each of the 3 bedrooms has its own en-suite shower/toilet and there is an extra bed in the attic. The ground floor is approximately 172 sq. m. and it consists of a covered garage that can fit 4 cars. This space can easily become an ...
