Discover a luxurious residential complex nestled in the heart of central Limassol, situated in an exclusive and tranquil neighborhood within the tourist area, just a short stroll from the seafront. Rising elegantly up to 8 storeys high, the buildings are gracefully arranged around a meticulously landscaped garden at the project's core. Drawing inspiration from both nature and modern architecture, the design mirrors the sleek lines of a superyacht. Each block's superstructure gently cascades down from its pinnacle, adorned with balconies on all sides. Broad horizontal bands create seamless balustrades that encircle the blocks at every level, accentuating the development's expansive horizon...
