""""""We are delighted to present the Residential Project at the Neapolis Area. The new project will be a Tower of 6 floors 10 flats of Two bedroom and 1 with Three bedroom Penthouse, with a total area of approximately 1600.00 sq.m including covered verandas. Our vision is to create an extraordinary residential building that, through exceptional Architectural design, use of the latest technologies and highest levels of sustainability, will become a landmark on the Limassol Coastline. The building is located in a quiet residential area surrounded by all amenities and 100 m away from the sea shore. """"""...
