*****An entire floor is for sale in a new commercial high-rise under construction in the heart of Limassol, close to the waterfront and the main interchanges of the city. The building is being built taking into account the most modern technologies, as well as the possibility to redevelop office space for any needs. The project is a high-tech and environmentally friendly building combining flexible office space with a total area of 12,600 m², an executive business center and premium amenities, including green areas and a gym. This new landmark is becoming a symbol of innovation and sustainable development of the city. The internal area is 285 m², the common areas are 177 m², the total area is...
