""""""The modern 6-storey commercial building is located in the lively Kapsalos business district in the center of Limassol with easy access to all amenities, highways and all the arteries of the city. The category A building, which is currently under development, occupies a strategically advantageous location next to the motorway, and the upper floors of the building overlook the sea. This project is ideal for any commercial use and office space. The building and planning permits have already been received.""""""...
