""""""This 2-bedroom apartment, featuring covered verandas totaling 25 sqm and an internal area of 80 sqm, is located in the area of Katholiki in the heart of Limassol. The project will be delivered in March of 2026 and will feature top specifications such as photovoltaic panels for each apartment and the communal areas, integrated garden areas in each flat, hidden ambient lighting throughout the interior as well as the exterior areas of the building, and reinforced concrete in accordance with anti-seismic standards and regulations. Alongside all these nice features, the building will be protected by a CCTV system. Location-wise, the project is within walking distance to all the necessary ...
