.....This exquisite penthouse apartment is part of a complex of luxurious apartments beyond compare. The complex consists of two buildings with high privacy standards and limited availability as each building have only 7 apartments. It is located in the heart of the tourist area of Limassol - Potamos Germasogeia, near Papas supermarket and is only a short walking distance from the sea. Whilst at the same time it has easy access to Limassol's main streets and direct access to all possible amenities you might need. Amenities from luxury boutiques, shops, historical sites, first-class restaurants and all types of entertainment. The penthouse enjoys the leisure of a ...
