.....This exquisite penthouse apartment is part of a complex of luxurious apartments beyond compare. The complex consists of two buildings with high privacy standards and limited availability as each building have only 7 apartments. It is located in the heart of the tourist area of ??Limassol - Potamos Germasogeia, near Papas supermarket and is only a short walking distance from the sea. Whilst at the same time it has easy access to Limassol&apos;s main streets and direct access to all possible amenities you might need. Amenities from luxury boutiques, shops, historical sites, first-class restaurants and all types of entertainment. The penthouse enjoys the leisure of a ...
