""""Located above Limassol motorway, this under-construction building will be delivered in 2025. The newly developed building consists of 3 blocks, with each flat having its private covered parking and storage room. Each property is provided with its private solar panel unit and provision of electric heating and A/C provisions. Paniotis - Green area provides all the amenities that a household needs, from a range of supermarkets to local fruit markets, pharmacies, and so on. The property is developed with an open plan kitchen design with the living room and corner balcony double-glazed windows, which offers sufficient light and air ventilation in the room. The internal covered area of the ...
