Modern apartment with 2 bedrooms and 2 bathrooms for sale in Limassol, Agios Ioannis. The project is energy efficient Class A, which includes highly insulated walls, a roof with thermal and waterproofing, as well as energy-efficient double-glazed windows. The floors in the living room, kitchen, bedrooms and corridors are covered with premium laminate, and ceramic tiles from leading suppliers with a wide range of designs are installed in the bathroom, barbecue area and guest area. The bathrooms are equipped with high-quality sanitary ware. A pressurized water supply system is installed for the water supply, and solar panels on the roof are provided for heating the water. There is an i...
