""""""""We present a new project in the lively and convenient area of Agia Fyla, just 6.8 km from the center of Limassol. The building includes 11 apartments with 1, 2 and 3 bedrooms, is equipped with round-the-clock security and uses alternative energy sources, has energy efficiency class A. Located next to many amenities such as supermarkets, parks and gyms, this modern residence offers unparalleled convenience. Due to its excellent location, close to the highway, it provides easy access to other cities and the beach, offering opportunities for unhindered exploration and recreation.

Apartments in a quiet area away from the hustle and bustle are ideal for a comfortable and peaceful life.""..."
