today's market. Located in a well-maintained building constructed in 1997, which was partially renovated in 2022, this apartment has just undergone a complete renovation in August 2024, ensuring a modern and luxurious living experience. The apartment features a separated kitchen, perfect for those who love to cook and entertain, alongside a bright and airy living and dining area that offers ample space for relaxation and gatherings. The layout is further enhanced by a guest WC and a main bathroom, designed with contemporary fittings. With ...
