""""""""""This residences complex is executed in classical colonial style of architecture. The façade is elaborately decorated with columns, balustrades, window/door frames, and decorative elements made of natural stone. Open balconies are closed in with handmade railings made of wrought iron and balustrades. The side supports of balconies are made in classical style and are an intrinsic ornament of the whole building. Both classical bay windows and a massive pediment accentuate elegance of the composition. It has a fitness center, sauna and communal pool The project is located in the calm geographical center of Limassol and one of the most prestigious housing areas of the city, that is ...
