""This plot is located in an ideal location facing huge demand for development at the moment. It can be considered as a great investment as the building density is 100% and the building coverage is 50% giving the opportunity to the potential investor to construct more than 10 apartments with a profitable return. It is just a short drive away from Limassol Marina, The City Of Dreams and it also has a very easy access to the highway. It is surrounded by all necessary amenities including bakeries, petrol stations, pharmacies etc.""...
