.....Nestled just 7 kilometers north of Limassol at an altitude of 365 meters, this stunning 4-bedroom house offers a perfect retreat from the city's heat and humidity, providing a cool and serene escape year-round. With temperatures averaging 5 degrees lower than Limassol, it is ideal for enjoying both summer and winter in a scenic setting. The village of Fasoula, where the house is located, is renowned for its natural beauty. In spring, the valley bursts into life with blooming almond trees and vibrant greenery, offering breathtaking views. The house itself boasts cutting-edge technology, including photovoltaic panels, and is finished to the highest standards with exceptional ...
