""""""A unique residential Four Bedroom House in in the heart of Old Strovolos nestled within an upscale complex Traditional Architecture harmoniously blends with modern design complete with private courtyard. It is a design like a town house constructed to the highest specifications offering bright and spacious areas on the ground floor, with 3 bedrooms, plus office and maids room. This project enjoys a prime location near the serene Pedieos river and its park. Despite its central position, the neighborhood retains a peaceful ambiance, providing a secluded retreat while maintaining easy access to the city center for added convenience. """""" ...
