""""""The property is a Traditional House in Pano Lefkara, Larnaca. Pano Lefkara is a beautiful and traditional Cypriot village set up in the Troodos Mountains. Is most famous for its silver and lace making, skills which have been practised in the village since Venetian times. This charming stone-built property is nestled in the picturesque village of Pano Lefkara. Situated just a short five to ten minute stroll from the village center, this residence offers a convenient and idyllic location. It covers 268 sqm and has 4 bedrooms. This property when renovated would make a perfect home in the sun or a great investment opportunity for holiday rentals. The village offers a large selection of res...
