""""""""""This unique property consists of 2 plots of 1865sqm. with 2 houses built (one on each plot). The plot is divided into 3 levels with the main house located on the top – 3rd level, small house on the 1st and 2nd level. All levels have green areas and gardens. The 2 houses have separate systems and are absolutely independent. The smaller House systems can be monitored and controlled from the Main House. The main house consists of 3 storeys: ground floor has open plan entrances (Main entrance and Garage Entrance), Office room (can be used for other purposes) and large fully equipped kitchen with sitting area. All rooms have walk-in glass doors leading to inner yard with wooden pl...
