""""""This newly built two-bedroom apartment in Strovolos offers 90 sqm of internal space and a 27 sqm covered veranda in a unique, green-surrounded building on a cul-de-sac. Each apartment benefits from private solar panels, along with included amenities such as dedicated parking, storage, and high-speed internet. Residents enjoy twice-weekly common area cleaning, monthly gardener services, and regular maintenance of the lift and building. Additional perks include access to an on-site gym and wellness area, along with general property maintenance support. The apartment is located close to all essential amenities. Rental options are flexible, with availability for terms as short as three mo...
