""""""This Residence is designed to offer spacious, functional and revolutionary apartments in the city centre of Limassol. Great emphasis was given to the design of the building, the comfort of the interiors as well as the functionality of the layout. The project consists of 4 apartments. Each apartment has its own parking space as well as its own storage room. Top quality materials, both structural and decorative, will provide its residents with the anticipated quality of life. The wide space of the apartments, the special features, the roof garden and the big verandas give the comfort of a relaxing living space in the city centre. All apartments have large balconies, ideal for enjoying the...
