""""""The modern residential complex is located in Agios Nektarios, one of the most popular residential areas in the center of Limassol. Ideal for those who want to live in a quiet area while having maximum access to urban amenities. The cozy size of the residence provides a private and welcoming atmosphere. This project offers six three-bedroom apartments, of which two are penthouses with roof gardens. Combining concrete and laminate (HPL) panels, the exterior design provides timeless appeal""""""...
