Coverage: **10 %**

Density: **10 %**

Available from: **2024-10-27**

Offered at: **4,500**

Type: **Agricultural**

""The asset is an agricultural field which falls within the administrative boundaries of Pachna community, in 'Kolimpos' locality, Limassol district. It is near the boundaries of Pachna - Kissousa and approx. 2km north of the center of the community. The field with an area of 2,509m², is vacant and has an irregular shape with a surface split onto terraces, with a western slope. As per the official cadastral plan, the parcel is landlocked, however it is 570m south of the Limassol – Omodos main linking road. The wider area is agricultural and is characterized by mostly uncultivated vacant land, vineyards and agricultural fields. This asset is only available for electronic auction. LEGA...
