""""The asset is a field in Agios Therapon community in Limassol district, at 'Archistratigos' locality. It is located approx. 350m east of Krios river and 450m south of the community's centre. The parcel, with an area of 1,245m2, has an irregular shape and uneven surface with a south slope. It is landlocked, however close to a registered road. The wider area consists of plenty of vacant land and fields that have not been divided into plots, while in the centre of the community there is a core of continuous construction (narrow streets, old buildings, etc). *subject to VAT""""...
