""The property concerns an agricultural field, about 1.20km northeast of the traditional core of Amargeti community in Paphos district, in 'LIACHIS' locality and 900m southwest of the traditional core of Nea Pentalia community. The parcel, with an area of about 4,348m², abuts to parcel 144, has an irregular shape, an uneven surface with a southeast slope and is landlocked, however, close to the Amargeti-Nea Pentalia connecting road. The wider area is agricultural, with a soil composition that favours efficient cultivation and is characterized by vacant plots of land and scattered residential developments and auxiliary spaces. This asset is only available for electronic auction. LEGAL...
