""""The asset concerns a field which falls within the administrative boundaries of the community of Pachna in the district of Limassol, approx. 2km. west of the traditional core of the community. The parcel, with an area of about 5,686m2, is landlocked, however, it is close to the Pachna - Anogyra connecting road. It has an irregular shape, uneven surface with slopes in different directions. The wider area consists mainly of dry crops and vacant parcels of land. LEGAL CONSEQUENCES: The property will be sold to the highest bidder. The highest bidder is obliged to pay 10% of the accepted bid price upon acceptance and the remaining amount within one month from the date of acceptance. In the ev...
