""""The asset is the ½ undistributed share of a residential field which falls within the administrative boundaries of Pedoulas community in Nicosia District.

Precisely it is situated within "Kastania" locality, approx. 650 meters south of the center of the community, 1.1 km north of Prodromos community and 150 meters east of the Prodromos - Pedoulas main linking road. The field measures 818 m2, is vacant, has an irregular shape, sloping surface and abuts to a footpath running across it's southwestern and northwestern boundary. The immediate area is mainly characterized by residential development with few houses, while to the north is the center of the village, comprised of tradit...
