""""The asset is an agricultural field in Lazanias community, Nicosia district, at “Kafkalies” locality. It is located approx. 900 m south of the community’s centre, approx. 1,4km west of Machairas Monastery. Moreover, it has an area of approx. 9,700m2, an irregular shape, sloping/uneven surface and it is vacant. It is landlocked, however close to/approx. 130m. west of a public registered road. The wider area is agricultural, consisting primarily of uncultivated mountainous parcels of land. This asset is only available for electronic auction LEGAL CONSEQUENCES: The property will be sold to the highest bidder. The highest bidder is obliged to pay 10% of the accepted bid price upon ac...
