For sale in the "Panthea" area of the Agios Athanasios Municipality, a 4-bedroom penthouse apartment under construction on the third floor, number 303 (Limassol). The three-story building, currently under construction and expected to be delivered in 2 months, features 9 luxurious apartments designed with high standards and modern aesthetics. This specific apartment offers spacious covered areas of 132 sq.m., a main veranda of 31 sq.m., and a private parking space of 35 sq.m. In the 160 sq.m. roof garden, there is a 20 sq.m. storage room equipped with a bathroom and shower, making it suitable as either storage or a service room. The roof garden also includes a 3x8 meter pool a...
