.....The complex is located in the picturesque Souni, just a 20-minute drive from the dynamic infrastructure of the center of Limassol. Within walking distance are several playgrounds, parks, restaurant, and cafe. Thanks to the mountainous terrain and the pine forest nearby, fresh air always circulates in Souni, which creates ideal weather conditions for living. The house has provisions for heaters and air conditioners, high-quality sanitary ware of European brands, aluminum window frames with double glazing. The interior uses high-quality materials such as wood, parquet, ceramics. The cottage is perfect for families with children, for those who appreciate a quiet life with a ba...
