""""""""A penthouse with 2 bedrooms is for sale. Located in the sought-after area of Adios Athanasios, Limassol, it is a perfect combination of modern architecture and exquisite interiors. This exclusive residential project consists of six carefully designed apartments, each of which meets the highest standards of modern living. The aesthetically attractive appearance of the building with clean lines, extensive balconies and high-quality materials harmoniously fits into the surrounding landscape. The walls are made of 25-centimeter clay bricks with decorative Graffiti plaster, which ensures durability and energy efficiency. The interior is decorated with handmade Italian cabinets, metal door...
