Discover this stylish 2-bedroom apartment, perfect for urban living in Agios Antonios. Covering 82 sqm of interior space with an additional 23 sqm covered outdoor area, this flat combines comfort and functionality. Located within a modern 18-unit, six-story building, each floor hosts only three apartments, ensuring a sense of privacy and community. This property is part of an exclusive two-building complex that offers residents a gated ground floor with shared facilities, including a lounge, workspace, and lush garden—a serene oasis right in the heart of the city. Just steps away from parks, top-rated schools, restaurants, and essential amenities, this apartment provides both conven...
