....."The Ermitage by the Beach complex is located in the center of the tourist area of ??Limassol (Germasogeia district) within walking distance to Dassoudi beach and eucalyptus grove. Next to the complex is the Atlantica Miramare Hotel (landmark). The complex is located on the seafront. The complex has a gated common areas, communal pool, lawn with sunbeds. Access to the complex and beach are done by using a resident card given to the residents of the complex. The complex also has a small gym, sauna, parking area (uncovered and underground) and laundry services. The apartment itself is situated on the fifth (last) floor. The covered living area of ??the apartment is 7...
