""""""A two-bedroom apartment with the possibility of purchasing a roof garden and the possibility of creating stairs to the roof from the balcony. From the roof garden you will get a view of the sea and the mountains surrounding Larnaca. The purchase is directly from the developer/owner saving a 5% r.e agent fee. The price may increase as the project progresses. Estimated entry date - early February. 60% of the building is already finished. You are invited to tour the site.""""""...
