....."Located inside the Venetian walls, in the old city of Nicosia, walking distance to all everyday amenities, artists' shops, restaurants. This listed property, fully renovated in 2006, has been meticulously maintained to preserve its traditional style and tall ceilings. Additionally, a new floor has been added to the rear of the house. The property encompasses approximately 230m<sup>2</sup> of built area and includes a 20m<sup>2</sup> courtyard. The ground floor features a spacious central hall, a generous lounge with a working log fireplace, an office room, one bedroom, laundry area, guest bathroom with a bathtub, and a separate kitchen. Both the central hall and the kitchen provide access to ...
