"A large field of 10.311 sqm is available for sale in Lefkara, Larnaca. It is located 1km northwest from the centre of the Lefkara municipality, 900m from the municipal football stadium and 750m southwest from the Lefkara Firehouse and police station. Lefkara Municipality has been established as an early settlement of Cyprus, which is why a high number of tourists (locals and people from abroad) visit the municipality throughout the year. It is well known for its architectural character with stone traditional/listed buildings. A restaurant named 'I Drosia tis Marias' has been developed at the southeast edge of the field. The property benefits from 50m of road frontage and abuts a publ...
