.....This listing describes a beautifully renovated penthouse apartment for sale in the quiet neighborhood of Panthea, Mesa Geitonia. It is part of a small residential building with only six apartments. The penthouse features 78 square meters of internal space, including a living and dining area with access to a covered veranda that offers open views. It has two comfortable bedrooms, one of en-suite, a family bathroom, and a guest W/C. Additionally, there is a private roof garden measuring 91 square meters with panoramic views. The area of Mesa Geitonia is appreciated for its lively atmosphere and accessibility. Residents benefit from being close to various amenities such as shop...
