Each apartment is crafted with luxurious finishes and modern conveniences, featuring German-made kitchens, premium Italian ceramics, and solid three-layer wood parquet flooring. The comfort of the home is further enhanced with underfloor heating, built-in air conditioning, and ensuite bathrooms in every bedroom. Stylish design touches like false ceilings with concealed lighting and four sunshades per apartment add to the sophistication. Bedrooms are equipped with electric shutters for convenience and privacy, while select apartments include a photovoltaic system for sustainable energy use. Kitchens come fully equipped with top-of-the-line Bosch appliances, including a walled oven,...
