.....the apartment is located in a central area of the city, featuring two bedrooms and two bathrooms with a total area of 83 square meters. It boasts a spacious balcony, exquisite decoration, and comes fully furnished with appliances. Despite its central location, it offers a quiet and peaceful living environment. The surrounding area is highly convenient, with a Metro supermarket just a 3-minutes drive away, the seaside avenue approximately a 7-minute walk, and both the American school and Med High private school within a 3-minute drive....."
