""""""The property is a four-bedroom house located in Geri, Nicosia, offering a comfortable and functional living space. One of the bedrooms features an en-suite bathroom, while the house includes a total of three bathrooms and four WCs, ensuring convenience for the entire family. Built in 2013, the property spans 170sqm (aprox.) and features an attic, providing extra storage or potential for additional living space. A unique feature of this home is a separate refabricated house, which can be used as a maid's room or office. This detached unit is equipped with its own bathroom and air conditioning, adding versatility to the property. Three covered parking spaces are included, making it ...
