....."2 bedroom apartment converted from 3 bedroom. This 37 storey project is proudly considered the tallest seafront residential tower in Europe. It is located on the seafront of Limassol's city centre just a few meters to the beach and all of the amenities. The project offers a residents-only outdoor swimming pool as well as a luxury SPA-centre, high tech gym, business centre and a host of other resident facilities. As you step into an apartment, you are immediately struck by the uplifting levels of light, the incredible sea views, the open, generous space and the refinement of detailing.

Marble, glass, stone and stainless steel form a fresh feel while woods and natural hues ...
